This News brief alerts you to a new report by the Institute of Medicine on bridging the gap between knowledge and practice. Announcement of the report, Crossing the Quality Chasm: Adaptation to Mental Health and Addictive Disorders, will be webcast* November 1, 11:00 a.m. ET, at <http://national-academies.org>.

The meeting will begin with a brief presentation of the report, and then the session will be opened for audience questions. Participants will include the chair of the committee and several committee members: Mary Jane England (chair), President, Regis College; Allen Daniels, Chief Executive Officer, Alliance Behavioral Care; Benjamin Druss, Rosalynn Carter Chair in Mental Health, Rollins School of Public Health, Emory University; Gary Gottlieb, President, Brigham and Women's Hospital, Chairman of Partners Psychiatry and Mental Health System, and Professor of Psychiatry, Harvard Medical School; Jeffrey H. Samet, Chief, General Internal Medicine, Boston University School of Medicine; Cynthia Wainscott, Board Member and Chair, National Mental Health Association; and Constance Weisner, Professor, Department of Psychiatry, University of California, San Francisco, and Northern California Kaiser Permanente.

*The Webcast requires RealPlayer software, available free of charge at <http://www.real.com/player> - use the "RealPlayer & Basic" link to download the software.

Data Trends are produced by the Research and Training Center for Children's Mental Health, Louis de la Parte Florida Mental Health Institute, University of South Florida, Tampa. Data Trends are funded by the Center for Mental Health Services, SAMHSA, U.S. Department of Health and Human Services. There are two Data Trends products: 1) Summaries (ISSN# 1537-0399), which detail recent, published articles on systems of care for children with emotional and behavioral disabilities and their families, and; 2) News briefs (ISSN# 1537-0402), which highlight related items or events of interest to the field.
