From the Research and Training Center for Children's Mental Health,
Tampa, Florida...

This News brief alerts you to the following article: Edberg, M. C., Wong, F. Y., Woo, V., & Doong, T. (2003). Elimination of health disparities in racial/ethnic minority communities: Developing data indicators to assess the progress of community-based efforts. *Evaluation and Program Planning*: 26, 11-19.

"The purpose of this article is to describe a pilot uniform data set that has been developed for the US Office of Minority Health...to assess and monitor a range of process and intermediate outcome indicators that are important steps towards the elimination of racial/ethnic minority health disparities as articulated in Healthy People, 2010 (DDHS)" (p. 11).
